## OUR MISSION:

At Affinity, we believe every person we care for should be treated with the highest levels of **compassion, dignity, and respect.**

As a family owned company we emphasize the importance of teamwork, which enables us to provide quality service on a personal level. We strive to provide a continuity of care for our patients so they may age gracefully while maintaining their independence at home.

## OUR VISION:

We will lead with honest, consistent, and trustworthy care in your home.
